

Technical Report #157

**A Field Study of Freshwater Resources
on Ifalik and Eauripik Atolls, Yap State, FSM**

Edited by Maria Kottermair, Danko Taborosi, John Jenson

Table of Contents

I. Overview

Cover Page
Executive Summary
Table of Contents

II. Results & Observations

1. Freshwater resources of IFALIK

Rainwater Catchment & Storage Systems
Well Inventory
Well Measurements
Water Quality Sampling
Interview Transcripts
 Leaders
 Households
 Health Assistant
Water Usage by Type

2. Freshwater Resources of EAURIPIK

Preliminary Household Inventory
Interview Transcripts

3. Additional Observations & Methodologies

Vegetation Survey
Elevation Measurement
Tide Measurements
Sea Level Change
Climate & Island Morphology
Compound Names & Locations
Recording GPS Locations

4. Recommendations

III. Photo Galleries

[Ifalik](#)
[Eauripik](#)
[Other](#)

IV. Geospatial Data
